

## Ideation Phase

### Define the Problem Statements

DATE	6 <sup>th</sup> SEPTEMBER
TEAM ID	PNT2022TMID24928
PROJECT NAME	Statistical Machine Learning Approaches to Liver Disease Prediction
MAXIMUM MARK	2 MARKS

Problem Statement (PS)	I am (Customer)	I am trying to	But	Because	Which makes me feel
PS-1	Patient	Examine Liver disease	The implementation of this idea is difficult	Some Algorithm will give you the less accuracy	Miserable
PS-2	Patient	Make use of modern technologies	The implementation of this project is difficult	Accuracy varies with the Algorithm chosen	Slack
